

Representing Employers, Employees and Solutions

Who We Are

United Staffing Systems & All Affiliates ("USS") is one of the largest women-owned businesses in the US, and the largest women-owned staffing firm in New York. Established in 1977, USS offers a complete portfolio of staffing solutions including: temporary and full-time placement, managed staffing solutions, and payroll services to companies of all size. Today, USS is an industry leader through its commitment to quality and innovative services that exceed expectations of clients and candidates.

Headquartered in New York, New York, USS has branch offices throughout the Tri-State region and places thousands of candidates in over 6,000 job categories every year.

At USS, our primary focus is finding the right job for you. USS recruiters have impressive backgrounds and extensive industry experience to effectively assist you in your career quest.

Our Services

USS specializes in placing highly skilled, qualified candidates in jobs that match virtually any lifestyle. Whether you want to work part-time or full time, short-term or long-term, USS has the right opportunity waiting for you!
